

Women About Town: Esther Muller & Faith Hope Consolo

Real estate powerhouses and bona fide business experts [Esther Muller](#) (left) and [Faith Hope Consolo](#) (right) know that when it comes to discussing their new coaching and mentorship endeavor through the [Academy for Coaching and Training](#) (ACT), there's a time to talk and there's a time to ACT.

The pair have been hobnobbing at a wide array of events, rubbing elbows with titans from Sotheby's, Halstead, Town, Corcoran, Rudin Management and HFZ Capital Group, among others. The strategy has paid off: the steady interest in their business-building workshops, speaking engagements and one-on-one mentoring sessions has ensured that both [Muller](#) and [Consolo](#) will be steadily booked into 2016.

For more information on ACT, or to book Muller or Consolo for a workshop, speaking engagement or one-on-one session, contact Muller at esther@esthermuller.com or Consolo at faith@faith-consolo.com.

About the Academy for Coaching and Training

The [Academy for Coaching and Training \(ACT\)](#) is a global consultancy delivering cognitive-behavioral oriented performance coaching, training and assessments. The consultancy's mission is to maximize individual and group performance and productivity through a cognitive-behavioral approach involving critical reflection, cognitive restructuring and action-centered learning. The coaching and training methods emphasize critical thinking and data-driven decision making to achieve goals, productivity and results.
